Instructions for Downloading & Setting Up The Library Anywhere App

For Android

1. Point your device's web browser to: www.libanywhere.com/la/getandroid.html
2. The web page that loads will read "Download Library Anywhere for Android devices"
3. Click on the "From LibAnywhere.com" button
4. The application will then begin to download
5. After download install the application
6. After installation open the LibraryAnywhere App icon
7. Select "Browse all libraries"
8. Select "United States" then "California"
9. Next select "San Joaquin Valley Library System"
10. Once there scroll down to "Kern County Library"
11. After you have selected Kern County Library you may log in to your account with your library card and pin number (your pin number is the last 4 digits of the telephone number the library has on file)

For iPhone & iPad

1. Open the App Store on the iPad or iPhone
2. Search for "LibAnywhere"
3. Tap the "LibAnywhere" icon, then "FREE", which turns into "Install App"
4. The application will then begin to download & install automatically
5. After installation, tap the LibraryAnywhere App icon
6. Select "Browse all libraries"
7. Select "United States" then "California"
8. Next select "San Joaquin Valley Library System"
9. Once there, scroll down to "Kern County Library"
10. After you have selected Kern County Library you may log in to your account with your library card and pin number (your pin number is the last 4 digits of the telephone number the library has on file)
