

# OverDrive eAudiobooks Desktop & Media Players

eAudiobooks can be transferred from a computer (Windows® or Mac®) to a media player using OverDrive Media Console.

Compatible portable media players:  
[overdrive.com/resources/drc](http://overdrive.com/resources/drc)

- iPod® (Shuffle requires iTunes to transfer)
- Zune®
- Sansa®
- Sony Walkman®
- and more
- eAudiobooks are FREE
- Kern County Library card required
- Loan period is 5 titles (eBooks & Audiobooks) for up to 14 days; up to 5 titles on hold
- No late fees! No charges!

## 1 Install software (one time only)

1. OverDrive Media Console: [overdrive.com/software/omc/](http://overdrive.com/software/omc/)
2. Open the OverDrive Media Console install file. The 'Setup Assistant' dialog box is displayed. Click 'Continue'.
3. The Software License Agreement screen is displayed, click 'Continue', then click 'Install' to install.

## 2 Visit your library's Virtual Branch

Go to [kerncountylibrary.org/elibrary](http://kerncountylibrary.org/elibrary) & click on the OverDrive link\*

1. Browse for a title
2. Verify the title will work with your **computer and device**
3. Check out with your Kern County Library Card
4. Click on 'Download' which will save a file to your computer

## 3 Download to computer

1. Open the file you saved and click 'OK' (OverDrive Media Console will automatically open)
2. Select the parts to download and then click 'OK'
3. Enjoy on your computer or transfer to your media player

## 4 Transfer to your Media Player\*

1. Select title to transfer from the OverDrive Media Console
2. Click transfer and the Transfer Wizard will begin
3. Connect your device and click '**next**' to continue
4. Once your device is recognized, a confirm screen will appear
5. Select parts to transfer and click 'next' to transfer to device\*\*
6. Transfer will begin after verification of required space
7. When the transfer is complete, disconnect the device and click 'finish' to close the wizard

\*Note: Visit [overdrive.com/resources/drc](http://overdrive.com/resources/drc) for full instructions for your computer/devices

\*\*To transfer, iPod® requires "Manually manage music and videos" selected in iTunes®
