2022 AT THE TEHACHAPi BRANCH

It has been an exciting year at the Tehachapi Library! Our branch has expanded its operating hours from three days to five (including Saturdays!) and we have been working to extend our programs, services, and events throughout the year. It has been an honor and a privilege to support early-learning and literacy in the Tehachapi area and to offer much-needed technology and workforce-related services for the community. We are so happy to see more and more folks joining in for our events!

Thank you all so much for supporting our work at the library. We can't wait to see what next year has in store!
