### *Little White Lies (Debutante Series #1)*

by Jennifer Lynn Barnes

Eighteen-year-old auto mechanic Sawyer Taft did not expect her estranged grandmother to show up at her apartment door and offer her a six-figure contract to participate in debutante season. And she definitely never imagined she would accept. But when she realizes that immersing herself in her grandmother's "society" might mean discovering the answer to the biggest mystery of her life—her father's identity—she signs on the dotted line.

### *Deadly Little Scandals (Debutante Series #2)*

by Jennifer Lynn Barnes

Reluctant debutante Sawyer Taft joined Southern high society for one reason and one reason alone: to identify and locate her biological father. But the answers Sawyer found during her debutante year only left her with more questions and one potentially life-ruining secret. When her cousin Lily ropes her into pledging a mysterious, elite, and all-female secret society called the White Gloves, Sawyer soon discovers that someone in the group's ranks may have the answers she's looking for.

## Daniela's Picks

### *Better Than the Movies (Book #1 in the series)*

by Lynn Painter

Liz is a hopeless romantic who has been waiting her whole high school career to be swept off her feet in quintessential romantic-comedy fashion—with the perfect soundtrack playing in the background. But it looks like she may have to rely on her annoying next-door neighbor Wes to try to gain the attention of dreamy Michael with the perfect hair, who has just moved back to town.

### *Nothing Like the Movies (Book #2 in the series)*

by Lynn Painter

In this highly anticipated sequel to the New York Times bestselling *Better than the Movies*, Wes and Liz struggle to balance their feelings for each other with the growing pains of being a college student.
