Come in and join us for a creative afternoon at the library! Join us for a fun, artsy activity.

Artful Afternoons

Ages 19+ MONDAY, MARCH 17TH | 4:00 P.M.

Join us for a creative afternoon at the library! Explore your artistic side and enjoy a fun, hands-on activity that will inspire your imagination.

Knowledge at Your Fingertips

Your library card gives you access to a world of knowledge! From professional development to personal growth, explore online learning platforms like TeachingBooks, Gale, The New York Times, Quizlet, and so much more.

Whether you're learning new skills, staying up-to-date on current events, or starting a new hobby, the library has you covered!

For more event information, visit our website - kclevents.org
Library workshops, performances, and events are FREE and open to the public. We're adding more programs all the time!
At times, programs may be rescheduled or canceled without advance notice.

Book Recommendations

Black and Female Essays by Tsitsi Dangarembga

In *Black and Female*, Tsitsi Dangarembga examines the legacy of imperialism on her own life and on every aspect of black embodied African life. This paradigm-shifting essay collection weaves the personal and political in an illuminating exploration of race and gender.

Once I was you by Maria Hinojosa

In *Once I Was You*, Maria shares her intimate experience growing up Mexican American and documenting the existential wasteland of immigration detention camps for news outlets that often challenged her work. She offers a personal and eye-opening account of how the rhetoric around immigration has not only long informed American attitudes toward outsiders but also enabled willful negligence and profiteering at the expense of our country's most vulnerable populations.

Strong Female Lead: Lessons from Women in Power by Arwa Mahdawi

Women have been taught to "lean in" and act like men to get ahead, but as the financial, environmental, and social systems crumble. But while some at the top are telling us "it is what is it," there's a new generation of leaders showing the world how to be better. They're building trust, investing wisely, and acting decisively. And they've got one thing in common. They are all women, and Mahdawi investigates the qualities of female leaders who show us how it's done, including original research and interviews.

Shine Bright by Danyel Smith

American pop music is arguably this country's greatest cultural contribution to the world, and its singular voice and virtuosity were created by a shining thread of Black women geniuses stretching back to the country's founding. This is their surprising, heartbreaking, soaring story—written by one of the preeminent cultural critics of her generation.
