Skippyjon Jones

Author: Judy Schachner
Illustrator: Judy Schachner

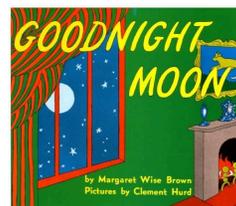

Here is the book that launched a thousand chimichangoes - the first in the best-selling series about the rambunctious Skippyjon Jones, the Siamese kitty boy with the overactive imagination. He would rather be El Skippito, the great sword fighter, who can do anything. Like saving a roving band of Mexican Chihuahuas from a humongous bumblebeeto that is tormenting them.

Stellaluna

Author: Janell Cannon
Illustrator: Janell Cannon

While out searching for food, fruit bat Stellaluna and her mother are attacked by a vicious owl. Stellaluna is separated from Mother Bat and taken in by a family of birds where she must put aside her bat habits to fit in with her new family. But one fateful flight when she is separated from her adoptive siblings, Stellaluna is reunited with her bat family and learns that even though we're different, we're very much the same.

Goodnight Moon

Author: Margaret Wise Brown
Illustrator: Clement Hurd

In a great green room, tucked away in bed, is a little bunny. "Goodnight room, goodnight moon." And to all the familiar things in the softly lit room--to the picture of the three little bears sitting in chairs, to the clocks and his socks, to the mittens and the kittens, to everything one by one--he says goodnight.
