# Series Spotlight: Fourth Wing

By Rebecca Yarros

Set in a brutal dragon-rider academy where survival is never guaranteed, this high-stakes fantasy romance follows Violet Sorrengail as she's thrust into a deadly world of trials, secrets, and shifting alliances. As dragons choose their riders and war looms beyond the academy walls, Violet must rely on her intelligence, resilience, and a dangerous enemies-to-lovers connection to uncover truths that could change the fate of the kingdom. Packed with action, romance, and jaw-dropping twists, this series blends epic fantasy with intense emotional stakes.

## Fourth Wing

Violet enters a ruthless dragon-rider academy where the weak don't survive and every day could be her last. Surrounded by rivals, bonded to unpredictable dragons, and drawn to a powerful enemy, Violet must fight to earn her place—or die trying.

## Iron Flame

With the academy growing even deadlier, Violet faces brutal training, fractured loyalties, and revelations that shake everything she believed. As tensions rise and secrets surface, survival may demand more than strength—it may demand betrayal.

## Onyx Storm

War is no longer a threat—it's here. Pushed beyond the academy and into a world on the brink of collapse, Violet must navigate impossible choices, dangerous alliances, and the true cost of power as everything she loves is put at risk.
