# Events for Teens

## Books & Blockbusters

All Ages THURSDAYS | 3:30 PM

### MARCH 5 & 19

Join us for a monthly teen book club where stories leap from the page to the big screen! Each month, we'll read a book that's been adapted into a movie or show, then meet to talk about the characters, the changes, the endings, and which version truly did it better.

Join us as we dive into the world of Greek mythology—with a modern twist. Follow Percy Jackson as he discovers he's a demigod and is thrown into a dangerous quest filled with monsters, gods, and unexpected friendships.

Come share your thoughts, favorite scenes, and reactions as we talk about the book together.

Come for the discussion, stay for the fun activities, and discover your next favorite book-to-movie duo.

## Teen Craft

Ages 12-18 THURSDAYS | 3:30 PM

Get creative this March with fun, hands-on projects you can make and take home.

### MARCH 12 | Camp Half-Blood Necklace

Step into the world of Percy Jackson and create your own Camp Half-Blood-inspired necklace. Use beads and charms to design a piece that represents your demigod style and favorite mythological vibes. Wear it, gift it, or keep it as a fun reminder of your time at the library.

### MARCH 26 | Camp Half-Blood Bracelets

Show off your demigod style with a bracelet inspired by the world of Percy Jackson. Use beads, colors, and letter charms to create a design that represents your favorite god, character, or Camp Half-Blood cabin. Wear it, trade it with friends, or make more than one to match your mythological vibe.

# Book To Screen

## Percy Jackson Series

By Rick Riordan

Percy Jackson discovers he's the son of a Greek God and is sent on a dangerous quest to prevent a war among the Olympians—facing monsters, myths, and surprises along the way.

Ever wondered how a book transforms into a movie or TV show? This month's Book to Screen spotlight features Percy Jackson, a fan-favorite story that has been adapted into both movies and a TV series. Check out the book, then compare how the story, characters, and action come to life on screen—and decide which version you like best.
