Lunch will be held at the library on Tuesdays, Wednesdays, Thursdays, and Fridays from 11:30 a.m. to 12:30 p.m. There will be different activities and a coloring table available during lunch each day. Due to the terms of the grant that funds the Lunch at the Library program, all lunches must be eaten on site at the library- lunches cannot be taken to go.

There will be no lunch on Friday, June 19th (Juneteenth) and Friday, July 3rd (county holiday in observance of Independence Day).

The following programs will be held during lunch on the indicated days, except on days with special events that begin during lunch:

Fridays: Little Seedlings

During this hands-on gardening program, participants will plant a different seed each week using soil and small pots to take home. Come get your hands dirty, discover how plants grow, and learn simple tips for caring for your plants all summer long!

This institution is an equal opportunity provider. The Summer Food Service Program is a program of the U. S. Department of Agriculture, administered in California by the California Department of Education. Lunch at the Library is a project of the California State Library, supported with funds from the State of California.
