New Reads for Back-to-School!

All That Chadni Knows (2026) by Khushboo Patel

Twelve-year-old Chadni is determined to earn a place at India's most prestigious girls' boarding school, but a devastating family secret threatens her carefully planned future. This heartfelt novel-in-verse explores ambition, family, and the love that helps us weather life's biggest challenges.

Shrinking Violet (2026) by Laurel Snyder

When Violet is afraid, she doesn't just feel small--she actually shrinks! It's tough to stop feeling frightened when you're only a few centimeters tall. But when Violet's best friend is in danger, she'll have to learn to deal with her fear in a new way--and save the day in the process. An inspiring modern fairy tale showing how all of us--no matter our size--are so much bigger than our fears!

Wombat Waiting (2026) by Katherine Applegate

When a wildfire destroys a community, a homeless dog named Wombat holds onto hope that she will be reunited with the person she's meant to find. This poignant novel-in-verse is a story of friendship, healing, and second chances.
