Get creative this August with fun, hands-on projects you can make and take home.

AUGUST 6 | MOTEL KEYCHAINS

Create your own retro-inspired motel keychain! Choose colorful beads, letter beads, charms, and tassels to design a one-of-a-kind accessory for your keys, backpack, or purse. Whether you personalize it with your name, favorite phrase, or aesthetic, you'll leave with a fun accessory that's uniquely you.

AUGUST 13 | JUNK JOURNALING

Turn everyday scraps into something beautiful! Explore the creative world of junk journaling using scrapbook paper, vintage book pages, stickers, washi tape, stamps, and more. Design unique journal spreads while expressing your creativity—no artistic experience required.

AUGUST 20 | FRIENDSHIP BRACELETS

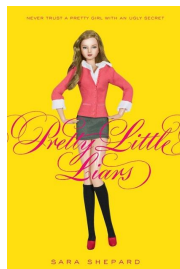

Design colorful friendship bracelets using embroidery floss and a variety of beads. Learn simple knotting techniques while creating bracelets to wear, trade, or gift to friends. Whether you choose classic patterns or personalized designs with letter beads, you'll leave with handmade accessories and a new skill.

AUGUST 27 | PICTURE PERFECT FRAMES

Transform a plain wooden picture frame into a personalized keepsake! Paint, decorate, and embellish your frame with colorful accents, stickers, gems, and other fun materials.
