# New Arrivals!

### *Slug Days* by Sara Leach

Discover this heartfelt and humorous story about Lauren, a girl with Autism Spectrum Disorder, as she navigates the challenges of school, friendships, and family life. Through both "slug days" and "butterfly days," Lauren learns to understand herself and others, discovering that her unique perspective helps her become exactly the friend a new classmate needs.

### *All the Blues in the Sky* by Renée Watson

After the sudden loss of her best friend, thirteen-year-old Sage struggles to make sense of grief, guilt, and the changes in her life. Through counseling, new friendships, and self-discovery, she learns that healing doesn't mean forgetting, and that it's possible to hold both sadness and hope at the same time.

### *Rosa By Any Other Name* by Hailey Alcaraz

In 1955 Arizona, a Mexican American teen secretly passing as white sees her carefully balanced worlds collide after a tragedy shakes her community and exposes deep racial divisions. As she searches for justice, she must decide whether to protect her future or find the courage to stand up for the truth.
